

## TO OUR GVR PICKLEBALL CLUB MEMBERS

As many of you know, the GVR Board of Directors has approved construction of our new Pickleball Center with construction to start mid July, 2019. However, with the cost of construction in today's dollars, they will only be constructing eight (8) courts. As most of you know, 8 courts are not enough for our current use, nor is it enough to host our Southern Arizona Senior Games.

Since we need more than 8 courts, we need to let the Contractor know by September 1st, 2019, as to how many dollars the Green Valley Pickleball Club and others are willing to donate so that we can build more courts at this time. The final number of courts will depend upon how many dollars will be donated by our Pickleball Club.

**Therefore, on behalf of the Fundraising Committee, I am asking for your immediate contribution to be made on or before August 23, 2019.**

Every contribution will be appreciated and recognized at certain levels in a permanent donor display area at the Pickleball Center as well as on the website and in the media.

### RECOGNITION LEVELS

*Titanium \$20,000+ | Platinum \$10,000+ | Gold \$5,000+ | Silver \$3,000+ | Copper \$1,500+ | Bronze \$500+*

We have been waiting for 5 years for this day. Now is the time when we need all of you to contribute whatever dollars you can, so that we can have a pickleball center that we will be proud of.

**PLEASE GIVE UNTIL IT FEELS GOOD.**
