

GVR Pickleball Club Membership Application 2020

There are two ways to join or renew your membership with the GVR Pickleball Club. Online at <https://gvpc.pickleball.plus/> (this is our preferred method as it is the most secure, reduces volunteer labor, and processing time is instant) or by completing this form (processing time can take up to two or more weeks and can delay entry into the system affecting ability to join Club tournaments). Annual dues are \$25 per person and the term runs from January 1 to December 31. New members joining after October 1 will receive credit for the year's remaining months and for the full year beyond. Credit cards (via online system only) and checks or cash (via paper form only) are accepted.

By completing the information online or below, applicants agree to be part of the club's online, private membership database and to receive club and member communication via email. The database is an essential feature for club members to connect. No information is shared outside of the club. *The new system requires each field to be populated, so if you have only one phone number, please duplicate it.*

Date:		New Member:		Renewal:	
First Name:			Last Name:		
Gender: Female		Male		Birthdate (M/D/Y):	
GVR Number:
